A valid Marriott Gold Membership must be presented to receive the benefits listed below

### **Membership Benefits – Marriott Gold Dining Card**

Your Membership Dining card may be used in any participating JW Marriott, Marriott, Courtyard by Marriott and Renaissance properties (see full list of participating Hotels) for breakfast, brunch, lunch and dinner until the date embossed on the front of the membership.

The membership entitles the member (name embossed on the front of the card) to ***unlimited complimentary dining (in Australian Hotels only) when dining with at least one other person.*** The dining card is transferable on sixteen (16) separate occasions – allocations listed on the reverse of the membership card.

The complimentary portion of the bill is determined by dividing the total food bill by the number of persons dining together at one table (minimum 2 persons) and subtracting the resulting amount from the original bill.

The membership discount is valid for the food portion of the bill (not beverages) and a maximum 1 card per table only. **(Note: A maximum 3 cards per table in Australian properties - based on a minimum two persons per membership presented)**

Eg: Two (2) persons and One (1) card = 50% discount from the food bill
